

## NV Brachetto Spumante

Fizz56 comes from a small winery nestled in the heart for Piemonte, known for their outstanding Brachetto. Brachetto is a grape native to Italy and rare in other wine-growing regions around the world. The Brachetto grape is a light-bodied red grape, highly aromatic and naturally effervescent. Consequently, Fizz56 Brachetto Spumante is a sparkling, red, sweet Italian wine made of 100% Brachetto. As an aperitif, a complement to dessert or a unique cocktail ingredient, Fizz56 is a deliciously irresistible way to celebrate any occasion. Pop the cork and enjoy the 56 million bubbles in every bottle!
