

## 2013 Bismark Mountain Cabernet Sauvignon

HANNA's Bismark Mountain Ranch is high above the City of Sonoma and San Pablo Bay in the Moon Mountain AVA. The unique terroir is both fierce and alluring. The 2013 growing season was a much drier version of 2012, with slightly warmer temperatures as well. Despite the early bud break, frost was not an issue in the spring. The peak summer months were moderate, resulting in steady ripening, good acid retention and intense flavor development.
