

GRACE LANE

2013 Riesling

Grace Lane is nestled amongst the beautiful, rolling hills of Washington state wine country. Sourced from a family owned Washington winery, our grapes come from the Yakima Valley. This appellation is known for being the oldest, most established wine growing region in Washington state. Distinct microclimates and diverse soils, combined with warm days and cool nights, make for ideal growing conditions. Grace Lane's Riesling is a crisp, balanced offering that pairs especially well with spicy chicken entrees, asparagus and artichokes.
